	Sub-total	
	VAT	
	Total	

Technician name	OFTEC individual registration number

Signature	
Print name	
Position	Date

### Notes

1 OFTEC Rules of Registration (R100) are available to download from the [OFTEC website](#).

2 PAS 2035/2030 is the “Retrofitting dwellings for improved energy efficiency - Specification and guidance” available [here](#).

3 Your OFTEC regional inspector will be required to evaluate your business to the requirements of PAS 2030 annually and carry out an on-site competency check of a registered technician and a completed Energy Efficiency Measure installation.

4 If you complete more than 100 installations of a particular Energy Efficient Measure in one year, additional surveillance will be required at additional costs. Please contact registration services for further details call 01473 626 298 option 1.
